MODERNCLASSIC.

A real affair of the heart for HALFAR®: the challenge of aligning something just to suit your taste. This shopper made from supple felt in the colour anthracite looks particularly sophisticated with embroidery decorations in the colours you select. Which motif may we immortalise for you? By the way, we can also offer another, particularly treasured detail: the little chain with pendant. Ideal for the presentation doming logos - either in addition to an embroidered logo or as a subtle, purist advertisement.

DIGITALLY PRINTED LABEL

Intricate designs in difficult places

Most decoration methods for intricate designs must be applied to the component panels before the bags are made up. In addition many parts of a bag are difficult if not impossible to print or embroider. In order to decorate bags when classical techniques are not appropriate, HALFAR® provides digitally printed labels. They can be embroidered on a finished bag or sewn on the shoulder strap.

DIGITALDRUCKLABEL

Feine Motive an schwierigen Stellen.

Veredelungsverfahren, die besonders detailreiche Motive realisieren, können oft nur vor dem Nähen einer Tasche eingesetzt werden. Zudem sind fertig vernähte Taschen häufig schwer zugänglich für die Maschinen. Die Lösung: Digitaldrucklabel von HALFAR®. Sie können auf die fertige Tasche gestickt und auch auf die Gurte genäht werden.

DOMING

Like a dome for your logo!

Take your logo to another dimension! With domings, make it look lively and luxurious. The unique effect occurs when the logo is coated with an epoxy resin to create a transparent dome. Domings are flexible and extremely hard wearing. Excellent sun and water resistance ensures that their high quality aspect is retained over a long period of constant use.

DOMING

Wie ein Kuppeldach für Ihr Logo.

Der einzigartig lebendige und hochwertige Effekt des Doming entsteht durch eine transparente Harzschicht. Sie wird auf einen Digitaldruck aufgetragen - wie ein edles Kuppeldach. Die Domings sind flexibel und bewahren ihre hochwertige Optik auch bei längerem Gebrauch. Gegen Regenschauer und Sonnenlicht sind sie gut geschützt.

EMBOSSING

Impressive advertising.

Embossing applies logos to the bag, giving them a particularly upmarket look. This is possible on our PU imitation leather bags, where they leave behind a highly individualised and professional impression. You can select between subdued, sophisticated blind embossing or more eye-catching, colour-filled embossing. In addition to full-tone colours, we also offer you gold and silver – for a hallmark appearance.

PRÄGUNG

Einprägsam werben.

Prägungen bringen Logos besonders hochwertig auf die Tasche. Möglich sind sie auf unseren PU-Kunstledertaschen, wo sie einen sehr individuellen und professionellen Eindruck hinterlassen. Sie haben die Wahl zwischen einer dezent, edlen Blindprägung oder einer auffälligeren farbgefüllten Prägung. Neben Volltonfarben bieten wir Ihnen dafür auch Gold und Silber an – für einen glanzvollen Auftritt.

METAL EMBLEM

For a lasting impression.

You can immortalize your logos on special quality metal emblems. Choose from two versions: either metal emblems with a stylishly lasered logo, or metal emblems with doming. On these the logo looks vividly colourful and very sculptured and the metal works like a frame.

METALLEMBLEM

Für bleibende Eindrücke.

Auf Metallemblemen verewigen Sie Logos in einer besonderen Qualität. Wählen Sie aus zwei Varianten: Erstens Metallembleme mit gelasertem Logo für den klassisch-edlen Look. Zweitens Metallembleme mit Doming. Auf ihnen tritt das Logo farbig und sehr plastisch hervor, das Metall wirkt wie ein Rahmen.
